Visa Information for TIIKM Conference Participants

International participants attending TIIKM conferences in **Cambodia** are advised to review the visa requirements applicable to their nationality before making travel arrangements.

Important Notice:

The information below is provided as a general guide and is subject to change by the Cambodian authorities. Cambodia has stopped placing visa stickers in passports; since 3 October 2026, visas are processed and issued electronically. Participants are strongly encouraged to verify the latest requirements using the official government links provided.

1. Visa Exemption

Ordinary passport holders of a limited number of countries, mainly ASEAN member states (such as Brunei, Indonesia, Laos, Malaysia, Myanmar, the Philippines, Singapore and Vietnam), may enter Cambodia without a visa for a short stay. The permitted length of stay varies by nationality, and entry conditions such as a passport valid for at least six months and a return or onward ticket may apply. Entry is at the discretion of the immigration officer.

The temporary visa exemption for Chinese passport holders (15 June to 15 October 2026) has ended. Participants should check the latest position on the official e-Visa website before travelling.

2. Tourist Visa (T) – e-Visa & Visa on Arrival (VoA)

- **Tourist Visa (Visa T):** Required for most nationalities. Fee: USD 30; single entry; one-month stay; valid for three months from the date of issue.
- **Visa on Arrival (VoA):** Available at international airports and certain open land border checkpoints. Payment is in US dollars and one passport photo is required.
- **Passport validity:** Passports must be valid for at least six months from the date of arrival, with sufficient blank pages.

A tourist visa may be extended through the Cambodian immigration authorities. Overstaying may result in fines, detention or deportation.

3. Cambodia e-Visa

Participants are encouraged to apply online before travel. Applications are submitted through the official e-Visa portal, with a processing time of about three business days. The e-Visa is sent by email and should be printed or saved on a mobile device. Please apply well in advance, and use the official website only, as look-alike sites charge extra fees.

4. Cambodia e-Arrival Card

All travellers arriving in Cambodia by air (including visa-exempt travellers and e-Visa holders) are required to complete the **Cambodia e-Arrival Card** online before arrival. The submission is free of charge and should be completed within 7 days before the date of arrival, using the official website only. The e-Arrival Card is not a visa.
